SERVICE AREA DESCRIPTION

Mid-Missouri Mental Health Center's primary service area is made up of thirty-one counties in the central and north-central part of the State (see Figure 1). Those thirty-one counties are grouped into service areas by the Missouri Department of Mental Health. Each service area is represented by an Administrative Agent who contracts with the Missouri Department of Mental Health to provide community-based mental health services for the seriously and chronically mentally ill population. The service areas and respective administrative agents are listed below with the county populations (U.S. Census 2006 County Population Estimates):
